NOTICE

(Download and Installation of Vikrant University ERP Mobile Application)

Dear Students,

This is to inform all students that the official Vikrant University ERP Mobile Application has been launched to provide easy access to academic and administrative services through smartphones. The application is designed to help students stay updated with important university information, notifications, attendance, examination details, fee status, and other ERP-related services.

All University staff and Students are advised to download and install the ERP application at the earliest and log in using their University ERP credentials.

Download & Access search Vikrant University on play store:

ERP Portal Link: https://play.google.com/store/apps/details?id=app.vikrantuniversity.student&pcampaignid=web_share

Instructions:

1. Download and install the application on your mobile device.
2. Log in using your Scholar Number/User ID and password.
3. Ensure that notifications are enabled to receive important university updates.
4. In case of login-related issues, contact the concerned department or ERP support team.

All Deans/HODs are requested to circulate this information among their departments and ensure timely installation of the application.
