ABOUT US

Vikrant University, a pioneering educational institution, is dedicated to fostering top-notch education not only in Madhya Pradesh but also across the nation and beyond. The inception of this noble initiative occurred in the year 2007 with the establishment of the Vikrant Group of Institutions (VGI) in Indore. The exponential growth and unprecedented achievements of the institution can be attributed to the dynamic and visionary leadership of Shri R. S. Rathore, the founder chairman of the group and the esteemed chancellor of Vikrant University.

Distinguished for its diverse academic offerings, Vikrant University provides a comprehensive array of courses spanning Engineering, Computer Applications and IT, Legal

Studies, Management & Commerce, Agriculture Science, Pharmacy and other disciplines. Presently, the university boasts an impressive portfolio of over 120+ UGC recognized Diploma, UG, PG, and Ph.D. programs, catering to a vibrant student community of approximately 6600+. Beyond the walls of academia, our influential alumni serve as global ambassadors, leaving an indelible mark in esteemed organizations worldwide.

As Vikrant University continues its journey of imparting value-based higher education to society, it remains committed to scaling new heights, aligning with the goals of the new education policy, and propelling the nation forward.

शुभकामना सन्देश

यह बेहद खुशी की बात है कि विक्रांत विश्वविद्यालय ग्वालियर मध्यप्रदेश का एक अग्रणी शैक्षणिक संस्थानों में से है। तेज़ गति से प्रगति करता विक्रांत विश्वविद्यालय सम्पूर्ण शिक्षा के लिए जाना जाता है, जहाँ विभिन्न स्नातक व स्नातकोत्तर डिग्री, डिप्लोमा और सर्टिफिकेट पाठ्यक्रमों के साथ साथ अनुसंधान के क्षेत्र में भी लगातार प्रगति कर रहा है।

मुझे खुशी है कि विश्वविद्यालय में सिर्फ प्रदेश के ही नहीं बल्कि सम्पूर्ण भारत व अन्य देशों से भी विद्यार्थी गुणवत्तपूर्ण शिक्षा ले रहे हैं।

चूँकि शिक्षा, सामाजिक परिवर्तन का एक सशक्त माध्यम है, इसलिए मेरा मानना है कि समाज को शिक्षित करते हुए जिस गति से विक्रांत विश्वविद्यालय आगे बढ़ रहा है, जल्दी ही यह विश्वविद्यालय सिर्फ राज्य ही नहीं बल्कि देश की तमाम अग्रणी शिक्षण संस्थानों में गिना जायेगा, यह हमारे ग्वालियर के लिए भी गर्व की बात है।

विश्वविद्यालय द्वारा प्रकाशित की जा रही स्मारिका के लिए समस्त विक्रांत परिवार को हार्दिक बधाई एवं शुभकामनायें।

MESSAGE

I wholeheartedly congratulate the Vikrant Group of Institutions on the significant milestone of moving up from being a college to becoming a university.

Over the past decade, the Vikrant Group of Institutions has continually demonstrated a commitment to the highest possible standards in the area of education, research, and community engagement. Their journey from a college to a university shows the hard work and vision of their teachers, staff, students, and everyone involved.

I strongly believe that Vikrant University will continue to foster an environment that encourages curiosity, critical thinking, and innovation. I am certain that the students of Vikrant University will be the ones to lead the way in terms of making progress, bringing new ideas, making positive changes, and creating a better and brighter future for everyone. I am confident that the university will also make a greater contribution to meeting the objectives of Vision Viksit Bharat @2047.

MESSAGE FROM CHANCELLOR

RAKESH SINGH RATHORE

To the generation who can shape the future

I would like to welcome you to the place where learning is more than just sitting in a classroom. At Vikrant University, in each of our students, we see and help grow the leader who is likely to do well and be a good example in many areas. They have been the best managers from our management school, engineers from our engineering school, and even lawyers from our law school. Our graduates are more than just good at their jobs; they are also known for being creative thinkers, business starters, teachers, community helpers, leaders, soldiers, and big dreamers.

Vikrant University is all about bringing together smart and successful people, whether they are students or teachers. Even though the world loves fancy buildings, the latest gadgets, and having lots of things, our university stays true to its roots while also adapting to modern times. This helps us teach people to love the simple joys of life. Our remarkable teachers, who have extensive experience and knowledge, show the true essence of learning. Our graduates, who have done great things all over the world, prove this.

When you look through this prospectus, you will see the kind of place we have made for young people who think education is important and it is not just a way to get a fancy job. We care about more than just building things; we have made a place at Vikrant that has helped many young people think bigger. We have taught generations of students in a way that improves every part of life, and now our graduates are making a big difference wherever they go. We focus a lot on research and working with local businesses, which really helps our students become successful in their careers.

I invite you to engage in future interactions with our students and graduates who are employed in diverse fields. I am sure you will see the value of the journey they have had at Vikrant. While we could talk a lot about the amazing things at Vikrant University, it is you who will keep our spirit alive and make a mark on the world.

I am excited to have you join our family of thinkers, explorers, and creators, and I am eager to see how you will help shape our society.

MESSAGE FROM PRO - CHANCELLOR

NITIN SINGH TOMAR

“We are what we repeatedly do. Excellence then is not an act, but a Habit”, Aristotle

It gives me immense pleasure to share my thoughts at this platform that has grown over the period of time that seems to fly away like it was yesterday. The day when the foundation stone of Vikrant Group of Institutions was laid, there was no infrastructure but just a dream and a vision in the eyes of our Chairman, Sh. Rakesh Singh Rathore, who was busy not just coordinating several events and segments but was obsessed by the vastness of his dream which may certainly seem to be an impossibility to a common man, but at Vikrant, we believe to do what cannot be done.

With the motto of “Dream your dream with open eyes and rest not till you achieve them”, we moved ahead. This was the spirit of Vikrantians that was inculcated by the Chairman in all of us and this is what we have strived for, nothing but perfection. I have been a part of this journey since inception and the great delight that I take in this Goal seeking journey is the student-centric approach. We take pride that we at Vikrant do focus all our activities and energies towards the betterment of the student's fraternity. It is the students that are our motivating and guiding force, it is they that constantly motivate us to keep exploring for new

avenues and greener pastures that may open vast opportunities for us. Vikrant University has been such an endeavor for us and thus small plant has become a big tree. When we, at Vikrant Group had thought that we have attained what we have dreamt of, it is then new dreams and goals were conceptualized by our Chairman, the great revolutionary personality, Sh. Rakesh Singh Rathore. As we are always amused by the enterprising and fearless spirit of his, who imbibes by the never-tiring attitude, in the words of Swami Vivekanand “Arise Awake and Stop not till the Goal is reached”.

On behalf of entire Vikrant family I take pride to be a part of the great endeavor in the form of “Vikrant University, Gwalior” and wish that we all, students, staff, faculties and management members would contribute every bit of our knowledge, experience and hard work into the building blocks that would give the University not only a strong foundation but also a status of an Institution that would eradicate illiteracy and dedicate itself for the betterment of the Society and the Nation as a whole.

Jai Hind, Jai Bharat!

MESSAGE FROM PRO - CHANCELLOR

VIKRANT SINGH RATHORE

Welcome to a transformative journey of innovation and learning at Vikrant University! Here, your life will be reshaped by extraordinary experiences and the wealth of knowledge that awaits you. Our university was conceived with the ambitious goal of establishing a contemporary hub for learning and innovation—an ultra-modern village fostering growth, creativity, and progress.

At Vikrant, we have cultivated a vibrant environment where every moment on campus propels our community to exceed expectations and venture beyond conventional boundaries. As you step into this dynamic space, you will discover a world that values curiosity, nurtures talent, and celebrates diversity.

Today, Vikrant University stands as a beacon of excellence, having garnered accolades both nationally and internationally. This achievement is a testament to the dedication of our students, faculty, and alumni who have worked tirelessly to make Vikrant a recognized name among elite institutions. With immense pride, I welcome you to this esteemed community, where your potential will find a platform to soar.

Our alumni, hailing from diverse regions of the nation, have honed their ideas within these walls,

transforming aspirations into achievements. Their success stories inspire us to aim higher and encourage the next generation of Vikrant students—now including you—to carry forward this legacy.

Your journey at Vikrant will be unparalleled. Here, you will engage with local communities, address real-world challenges, and experience the exhilaration of making a tangible impact. Our campus is alive with vibrant clubs, peer-learning platforms, and extracurricular activities that will unlock the full spectrum of your abilities. From academic pursuits to personal growth, every corner of Vikrant University brims with opportunities designed to shape your future.

As you begin this exciting adventure, my advice is simple: embrace every challenge, seek out new horizons, and immerse yourself fully in the life of our community. The relationships you build, the knowledge you gain, and the skills you cultivate here will serve as the foundation for your success and personal fulfillment.

I extend a heartfelt welcome to you at Vikrant University, where your transformative journey awaits. Together, let us embark on a path of discovery, growth, and excellence.

MESSAGE FROM MANAGING DIRECTOR

AVINASH MISHRA

“Leadership is not about being in charge. It is about taking care of those in your charge.”

At Vikrant University, we believe that education is the strongest foundation on which individuals, communities, and nations are built. As the Managing Director, I see my role not just as a facilitator of growth, but as a custodian of a legacy — one that honors knowledge, embraces innovation, and empowers the next generation of changemakers.

Our journey at Vikrant has been one of purpose — to create a space where young minds are not only educated, but inspired. We have consistently invested in building a future-ready campus: from cutting-edge infrastructure to collaborative partnerships with industry, from globally-oriented programs to a nurturing ecosystem that values inclusion, curiosity, and creativity.

What makes Vikrant University truly special is our belief that each student carries within them a spark — a unique potential waiting to be unlocked. Whether it's through experiential learning,

entrepreneurial ventures, leadership initiatives, or community outreach, we aim to provide an environment where every student discovers their own path and walks it with confidence.

We understand the pulse of a rapidly changing world and are committed to aligning our vision with the demands of tomorrow. Through agility, compassion, and foresight, we strive to make Vikrant not only an academic institution, but a launchpad for transformative ideas and impactful careers.

To every student, I offer not just a warm welcome, but a promise — that at Vikrant University, you will be seen, supported, and challenged in ways that will shape you into a thinker, doer, and leader of the future.

Welcome to a place where dreams evolve into action — and action, into legacy.

MESSAGE FROM VICE CHANCELLOR

DR. SANDEEP SHUKLA

As the Vice Chancellor of Vikrant University, I extend a warm welcome to students from across the country and around the world who are embarking on their academic journey with us.

At Vikrant University, we firmly believe that our students are our most valuable assets. It is our mission to provide an exceptional learning environment that not only nurtures knowledge but also empowers students to become agents of change, contributing to the nation's growth and progress.

Our strong teaching pedagogy and vibrant academic atmosphere are designed to help you enhance your leadership, managerial, technical, and entrepreneurial skills. Through a variety of events such as conferences, seminars, workshops, business plan competitions, tech fests, sports events, cultural programs, and social activities, you will have ample opportunities to develop holistically.

We take pride in our global outlook and offer international training and tours as part of our rewards for academic excellence. These initiatives, supported by our international collaborations, provide our students with invaluable global exposure and insights into diverse perspectives.

Additionally, our state-of-the-art Centre of Excellence on campus is dedicated to equipping students with advanced, industry-relevant knowledge and skills, ensuring their employability and preparing them to excel in their chosen fields.

At Vikrant University, we are committed to nurturing a generation of professionals and leaders who will shape a better tomorrow. I wish you all the best for your academic journey and encourage you to seize every opportunity to learn, grow, and excel.

Welcome to Vikrant University—a place where your future begins!

MESSAGE FROM REGISTRAR

RICHA VERMA

Vikrant University (VU) is recognized for its quality faculty, academic programs, and strong focus on student success, producing scholars who are critical thinkers, innovators, and leaders. Designated as a pre-eminent university by its stakeholders for meeting rigorous standards of achievement, VU ranks among the best private universities in the state. From its excellence in sciences, arts, and humanities, to its entrepreneurial culture, championship athletics, and a prime location in the heart of the country, Vikrant University offers an outstanding academic environment.

Located in Gwalior, VU takes pride in its rich heritage and core values that champion excellence at every level. Building on its unique strengths, it provides academic rigor, along with research, creative efforts, and engagement opportunities, all within a caring atmosphere. An exceptional student-faculty ratio and student-centered approach ensure that every student receives a world-class education. VU has eliminated academic disparities by requiring experiential learning before graduation, offering an intellectually stimulating environment.

VU's academic programs are led by renowned faculty and are consistently recognized for their quality. The University fosters a culture of entrepreneurship, interdisciplinary learning, and creativity across all disciplines. Beyond engineering and management, top programs include physics, chemistry, psychology, criminology, public administration, political science, business, and law. At the doctoral level, interdisciplinary research draws on faculty strengths in areas such as molecular biophysics, computational science, and materials science.

VU students supplement their academic pursuits with hundreds of hours of community service annually, reflecting the University's commitment to outreach at local, regional, and national levels. This service has earned recognition from the broader community.

With a dedicated faculty and staff committed to excellence in teaching, research, creative endeavors, and service, as well as a research agenda that contributes to the nation's economic growth and quality of life, Vikrant University stands as a leader in higher education.

I hope you will join us in our continuing pursuit of excellence.

NCC NATIONAL CADET CORPS

Vikrant University takes pride in fortifying its students through exclusive National Cadet Corps (NCC) training, conducted under the guidance of the Army Wing of 8 MP Battalion for boys and the 3 MP Battalion for girls. This initiative ensures that both male and female students receive specialized NCC certifications, fostering qualities of discipline, leadership, and teamwork.

Benefits of NCC

- Reserved IMA Vacancies: Army Wing certification from the NCC grants individuals 20-25 reserved vacancies at the Indian Military Academy (IMA)
- Direct SSB Entry: NCC-certified individuals benefit from an exemption from the written CDS exam, receiving a direct entry to the Service Selection Board (SSB).
- CAPF/CPO Preference: NCC certification grants priority in interviews for Central Armed Police Forces (CAPF) and Central Police Organizations (CPO), recognizing and valuing NCC-trained skills and discipline.

SEVERAL ACCOLADES

Vikrant University stands as a beacon of educational excellence, adorned with numerous accolades. Our esteemed faculty, dedicated staff, and talented students have collectively earned prestigious awards, reflecting the unwavering commitment to our educational mission. These accolades serve as a testament to the outstanding contributions made by the Vikrant community in shaping future leaders and fostering a culture of academic brilliance.

CSR ACTIVITIES

Corporate social responsibility is the contribution towards the society. Keeping the youth in balance with studies and moral values is just the right way to ethical education.

BIS STANDARDS CLUB

Established by the Bureau of Indian Standards, the BIS Standards Club engages in innovative initiatives, aiming to instill in young minds the paramount importance of quality, standards, and the cultivation of a scientific temperament

HUSTLERS CLUB

Catering to technology, engineering, and innovation enthusiasts, the Hustlers Club organizes coding competitions, robotics workshops, tech conferences, hackathons, and seminars on emerging technologies. Providing hands-on experiences and networking opportunities, the club fuels entrepreneurial spirit and technical prowess.

AUTOMOTIVE CLUB

Exploring the fascination for wheels, this distinctive activity club empowers students to immerse themselves in hands-on experiences, bringing their automotive interests to life.

INNOVATION CLUB

Fostering innovation, the Innovation Club provides budding engineers with hands-on practical experience, allowing them to cultivate their skills in a supportive environment.

WOMEN'S CLUB

As a beacon of solidarity, the Women's Club at Vikrant University thrives on nurturing empowerment, offering a lively haven where women can connect, inspire, and flourish together.

RAINBOW CLUB

It is a vibrant community that unites diverse creative passions through its three dynamic sub-clubs: the Music & Dance Club, Literary Club, and Film Club. These clubs provide students with a platform to express their creativity and develop their talents. The Rainbow Club fosters artistic growth and encourages students to showcase their unique abilities in a collaborative, supportive environment.

PRO BONO CLUB

Vikrant Nyaya Deep : *The Light of Justice*

Aims to enhance the quality and efficiency of pro bono legal services by involving law students in supporting pro bono advocates. It instills a sense of responsibility in young legal minds, encouraging them to practice and promote pro bono legal services for the unassisted and disadvantaged individuals in society.

MANAGEMENT CLUB

HR CLUB

MARKETING CLUB

FINANCE CLUB

Vikrant University's management clubs—HR Harmony, The Hype Creators, and Fincraft—empower students to enhance their skills, network with professionals, and gain real-world exposure. These clubs foster leadership, creativity, and financial literacy, preparing students to excel in their careers.

VIKRANT VIGYAN CLUB

Catering to science enthusiasts, the Vikrant Vigyan Club organizes experiments, scientific discussions, and events promoting curiosity in various scientific disciplines. With a focus on hands-on experiences and knowledge-sharing, the club aims to ignite a passion for science and exploration among its members.

ISRO & VIKRANT UNIVERSITY

INSPIRING FUTURE SPACE EXPLORER

Vikrant University proudly celebrated India's 1st National Space Day in collaboration with ISRO, featuring distinguished guests Mr. Aditya Patinge, Scientist "SF," and Mr. Akhilesh Sharma, Scientist "SG," from the Space Applications Centre (SAC), ISRO. The event brought together enthusiastic students from schools and colleges across the Gwalior region, who showcased their talent and knowledge through competitions like Poster Presentations, Quizzes, Model Exhibitions, and Essay Writing, highlighting their passion for space

science and innovation.

Adding to this milestone, two students and a faculty member from Vikrant University were selected to participate in the National Space Day celebration at SAC, ISRO, Ahmedabad. They had the honor of interacting with Padma Shri awardee Dr. Kartikeya Sarabhai and Dr. Nilesh M. Desai, Director of SAC, ISRO. These luminaries inspired the participants to explore the depths of space technology and emphasized the need to nurture curiosity and a spirit of innovation.
