### “Official Launching Ceremony of AI Club-Next Gen Intelligence”

The AI Club, Vikrant University, Gwalior, was officially launched on 20/04/2026 in the gracious presence of the Honourable Chancellor Sir, Pro-Chancellor Sir, Registrar Ma'am, Director of Training & Placement Cell, respected Deans, Heads of Departments, faculty members, and students. The launch ceremony marked a significant milestone towards promoting innovation, Artificial Intelligence awareness, interdisciplinary collaboration, and technology-driven learning at Vikrant University. The event was organized with the objective of creating a dynamic platform where students from different disciplines can explore Artificial Intelligence, work on real-world projects, and develop leadership, technical, and problem-solving skills. The launch ceremony also included the presentation of shortlisted projects from “NeuroSpark 1.0: AI Quiz & Creativity Challenge,” leadership badge distribution, and certificate distribution to winners. The Honourable Chancellor Sir appreciated the initiative and expressed great excitement and support for the AI Club. He assured the club members that the university would provide every possible resource and support required for the successful growth of the club and its future activities.

<b>Program Coordinator</b>	Prof. Bulbul Agrawal, Faculty Coordinator, AI Club, VU Prof. Madhwan Upadhyay, Faculty Coordinator, AI Club, VU

## **Overall Report of the Activity**

**Date: 20th April, 2026**

**Subject: Official Launching Ceremony of AI Club-Next Gen Intelligence**

### **Introduction:**

The AI Club, Vikrant University, was officially launched under the title “Next Gen Intelligence” with the vision of creating a vibrant and innovative platform for students interested in Artificial Intelligence and emerging technologies. The ceremony was organized to inspire students to explore AI-based learning, research, leadership, and innovation while promoting the university’s vision of “Leadership through Learning.” The event witnessed enthusiastic participation from students, faculty members, and university dignitaries, making it a memorable and inspiring occasion.

### **Inaugural Ceremony:**

The program commenced with Saraswati Vandana and the traditional lamp lighting ceremony in the presence of the Honourable Chancellor Sir and other respected dignitaries. The lamp lighting symbolized the removal of darkness and the spread of knowledge, wisdom, and innovation. The auspicious beginning created an inspiring environment for the official launch of the AI Club.

### **About the AI Club:**

During the event, the objectives and vision of the AI Club were introduced before the audience. The club was presented as a platform designed to encourage:

- Innovation and creativity
- Hands-on AI learning
- Interdisciplinary collaboration
- Real-world problem solving
- Research and technical development

It was also shared that more than 80 students from different schools of the university had already joined the AI Club, making it a dynamic and interdisciplinary initiative.

### **Presentation of NeuroSpark 1.0 Activities:**

As part of the launch ceremony, selected presentations from the “NeuroSpark 1.0: AI Quiz & Creativity Challenge” were showcased before the dignitaries, faculty members, and students. The shortlisted participants presented innovative AI-related ideas prepared using AI tools and

prompt-based creativity. The presentations reflected the students' technical understanding, creativity, confidence, and interest in Artificial Intelligence. The audience highly appreciated the efforts and innovative thinking demonstrated by the participants.

### **Leadership Badge Distribution Ceremony:**

One of the major highlights of the event was the official badge distribution ceremony for the selected AI Club leadership team. The badges were distributed by the Honourable Chancellor Sir. The leadership positions were selected through a predefined and transparent process where students were provided an open platform to showcase their leadership potential and vision.

### **Leadership Team:**

<b>Position</b>	<b>Student Name</b>
<b>President</b>	Mr. Vinay Pratap Singh (BCA 2nd Year)
<b>Vice President</b>	Mr. Krishna Tripathi (Pharmacy 1st Year)
<b>Secretary</b>	Ms. Anamika Pandey (B.Tech CSE 2nd Year)
<b>Treasurer</b>	Ms. Akanksha (BCA 1st Year)
<b>Technical Lead</b>	Mr. Virendra Singh Shakyawar (B.Tech CSE 1st Year)

### **Certificate Distribution:**

Certificates and tokens of appreciation were distributed to the winners of “NeuroSpark 1.0: AI Quiz & Creativity Challenge” by the Honourable Chancellor Sir in recognition of their outstanding performance and active participation.

### **Address by the President and Secretary:**

The President and Secretary of the AI Club addressed the gathering and shared the vision, objectives, future activities, and responsibilities of the club.

The speeches emphasized:

- The importance of Artificial Intelligence in modern society.
- The role of the AI Club in developing future-ready students.
- Plans for workshops, competitions, hackathons, projects, and research activities.
- Encouraging collaborative learning and innovation among students.

Their speeches inspired students to actively participate in AI-based learning and leadership opportunities.

### **Chancellor's Address:**

The Honourable Chancellor Sir delivered an inspiring and motivating address emphasizing the importance of Artificial Intelligence and emerging technologies in shaping the future.

He appreciated the initiative taken by the AI Club coordinators and student leaders and expressed happiness and excitement regarding the club's vision and activities.

The Honourable Chancellor Sir assured the students and coordinators that the university would provide every possible resource, guidance, and support required for the successful functioning and future growth of the AI Club.

### **Pro-Chancellor's Address**

The Honourable Pro-Chancellor Sir highlighted the growing importance of Artificial Intelligence across industries and academics. He appreciated the faculty coordinators and organizing team for successfully launching such an innovative and future-oriented initiative at Vikrant University. He encouraged students to actively participate in club activities and utilize the platform for learning, innovation, and skill development.

### **Outcome of the Activity:**

- The AI Club was officially launched successfully at Vikrant University.
- Students gained motivation and awareness regarding Artificial Intelligence and innovation.
- Leadership positions were officially recognized and responsibilities were assigned.
- The event encouraged interdisciplinary collaboration and student engagement.
- Participants developed confidence, communication, and presentation skills.
- The launch ceremony created enthusiasm among students towards AI-driven learning and future technologies.

### **Conclusion:**

The Official Launching Ceremony of the AI Club-“Next Gen Intelligence” proved to be a highly inspiring, successful, and impactful event at Vikrant University. The ceremony not only marked the beginning of a new student-driven AI initiative but also established a strong foundation for innovation, collaboration, leadership, and practical learning in Artificial Intelligence. The enthusiastic participation of students, support from university leadership, and encouragement from dignitaries reflected the university's commitment towards technology-driven education and future-ready learning. The AI Club extends heartfelt gratitude to the Honourable Chancellor Sir, Pro-Chancellor Sir, Registrar Ma'am, university administration, faculty members, student leaders, and all participants for making the event a grand success..
