FROM THE DESK OF THE CHANCELLOR

It is my pleasure to present this issue of Srijanika, which captures the academic achievements, institutional initiatives, research endeavours, and diverse activities of Vikrant University during the months of August and September. This issue reflects the vibrant academic environment of the University and the collective efforts that continue to shape its journey towards excellence.

A university is not merely a place of learning; it is a space where ideas are nurtured, perspectives are broadened, and individuals are prepared to contribute meaningfully to society. At Vikrant University, we remain committed to fostering an environment that encourages academic excellence, innovation, research, creativity, ethical leadership, and social responsibility. Our endeavour is to empower students to become confident and responsible professionals who can respond effectively to the opportunities and challenges of a rapidly evolving world.

The accomplishments and initiatives featured in this issue reflect the dedication of our students, faculty members, researchers, and staff. From academic and research initiatives to industry engagement, student development, cultural programmes, and community-oriented activities, each contribution demonstrates the spirit of participation, collaboration, and continuous growth that defines our university.

As we move forward, Vikrant University will continue to focus on strengthening the quality of education, promoting interdisciplinary research, encouraging innovation and entrepreneurship, expanding meaningful industry and institutional collaborations, and providing our learners with opportunities that extend beyond the classroom. I firmly believe that sustained institutional progress is built upon collective commitment, integrity, and a shared vision for the future.

I extend my appreciation to everyone who has contributed to this edition of Srijanika and congratulate the entire Vikrant University fraternity on its continued efforts and accomplishments. May our shared pursuit of knowledge, innovation, and excellence continue to create meaningful opportunities for our learners and contribute positively to society.

Mr. Rakesh Singh Rathore
Hon'ble Chancellor
Vikrant University, Gwalior (M.P)

EDITORIAL

Dear Readers,

We are pleased to present the Fourth Edition of Srijanika, Vikrant University's bi-monthly newsletter, covering the academic and institutional developments of August and September. This edition brings together a diverse range of initiatives, achievements, engagements, and experiences that reflect the continued dynamism of our University.

The months under review were marked by meaningful opportunities for academic interaction, cultural exchange, professional engagement, and global collaboration. Among the notable highlights was the SETU Cultural Exchange Programme with BIC, Nepal, which provided students with an enriching platform to engage with a different cultural and academic environment. Beyond cultural exposure, such initiatives encourage mutual understanding, broaden perspectives, and strengthen the spirit of international collaboration.

Another significant milestone was the 16th World Edu Summit, which brought together academicians, researchers, educationists, and professionals for dialogue and knowledge exchange on contemporary issues in higher education and research. The Summit provided an important platform for intellectual interaction and collaboration, while further connecting our academic community with wider national and international perspectives.

Alongside these major engagements, the University continued to witness a range of academic activities, research initiatives, student programmes, workshops, competitions, outreach efforts, and professional interactions. The achievements and contributions featured in this edition reflect the enthusiasm of our students and the sustained efforts of our faculty, researchers, administrators, and staff.

Srijanika continues to serve as a window into the evolving academic and institutional life of Vikrant University. With every edition, it seeks not only to document important milestones but also to capture the experiences, ideas, and collective efforts that contribute to the University's growth. The newsletter thus remains a shared space where achievements are acknowledged, participation is celebrated, and the spirit of the University community is brought together.

We sincerely appreciate the efforts of everyone who has contributed to this edition and thank our readers for their continued interest and encouragement. We hope this issue provides an engaging glimpse into the University's journey during August and September and inspires continued participation in the opportunities that lie ahead.

Prof. Alka Yadav & Prof. Diksha Yadav
Editors, Srijanika

ECHOES OF EXCELLENCE

DEEKSHARAMBH 2026
A GRAND BEGINNING TO EXCELLENCE

Vikrant University organized DEEKSHARAMBH 2026 – Orientation & Induction Programme to welcome newly admitted students and introduce them to a transformative journey of learning, innovation, leadership, and success.

The programme was graced by Dr. Montu Kumar Patel, President, Pharmacy Council of India (PCI), Ministry of Health & Family Welfare, Government of India, as Chief Guest. His inspiring address encouraged students to pursue excellence with integrity, embrace innovation, and become responsible professionals dedicated to nation-building.

The occasion was further graced by the esteemed presence of the following Guests of Honour:

- Sant Shri Kripal Singh Ji Maharaj – Spiritual Leader
- Mr. Ravi Singh – Partner, PwC India
- Ms. Nimisha Nigam – Senior HR Leader, Samsung India
- Ms. Shweta Pandey – Vice President, Northern Trust Operating Services

Faculty members and student delegates from Boston International College (BIC), Nepal, also participated under the SETU – Student Exchange and Training Understanding Programme, adding an international dimension to the event and fostering cross-cultural learning and academic collaboration.

August - September 2026

BIC Delegates Visit SRF Industries, Malanpur

As part of the programme, the BIC delegates visited SRF Industries, Malanpur, gaining valuable insights into modern manufacturing, quality management, workplace safety, sustainability, and industrial practices.

Exploring the Heritage of Mitawali & Padawali

The BIC Nepal delegation visited the historic sites of Mitawali and Padawali, exploring their remarkable architecture, artistic craftsmanship, and cultural heritage. The excursion encouraged appreciation of India's historical legacy while fostering cross-cultural understanding, meaningful interactions, and learning beyond the classroom.

Exploring India's Heritage – Taj Mahal, Agra

As part of SETU 2026, delegates from Boston International College, Nepal, visited the magnificent Taj Mahal, Agra. The visit offered an enriching experience of India's architectural brilliance, history, and cultural heritage, creating memorable moments of learning and friendship beyond borders.

August - September 2026

A Memorable Evening of Cultural Exchange & Connection

The delegates also participated in an interaction with the Hon'ble Chancellor of Vikrant University, where discussions focused on academic engagement, student exchange, and future institutional collaboration. A memorable SETU Dinner provided opportunities for meaningful conversations with the Hon'ble Chancellor, Vice Chancellor, and Registrar, along with fun activities and cultural bonding.

Fire & Safety Training Session

The BIC Nepal delegates participated in a Fire & Safety Training Session at Vikrant University, gaining practical knowledge of fire prevention, emergency response, evacuation procedures, and the use of firefighting equipment. The training enhanced awareness of safety practices and emergency preparedness as part of experiential learning under SETU 2026.

From Campus to Corporate: Building Successful Careers in Management

The academic component featured an expert session by Mr. Prashant Vishwanath Dahibhate, Senior Director – Delivery and Operations, Wipro, on "From Campus to Corporate: Building Successful Careers in Management." The session offered insights into corporate expectations, leadership, professional skills, and career development. A Fire & Safety Training Session further enhanced students' awareness of emergency preparedness, fire prevention, and safety practices.

August - September 2026

Best Manager Competition 2026

Vikrant University organized the Best Manager Competition 2026 for students of Boston International College, Nepal. The competition featured a crossword puzzle, case study analysis, and presentation, assessing analytical thinking, problem-solving, decision-making, communication, and managerial skills. Faculty members from Nepal independently evaluated the participants.

Results:

- **Winner:** Ms. Sadhan Adhikari
- **Runners-up:** Ms. Grisham and Mr. Shrishak

The competition provided an enriching platform for students to showcase their managerial potential, confidence, and leadership abilities.

HR Management in the Digital Age: Building Agile, Inclusive & Future-Ready Workforces

The BIC Nepal delegates attended an expert session by Ms. Urvashi Jha, Team Leader, Teva API India Private Limited. The session explored digital transformation in HR, workplace agility, inclusive work culture, talent management, and future-ready workforce competencies, connecting academic learning with contemporary corporate practices.

SETU 2026 – Closing Ceremony

The SETU International Exchange Programme 2026 concluded with a celebration of academic exchange, cultural understanding, and international collaboration between Vikrant University and Boston International College, Nepal.

The Closing Ceremony featured experience-sharing by students from both institutions, certificate distribution, and a showcase of traditional Nepali attire by the BIC delegates. Cultural dance performances by VU and BIC students added vibrancy to the celebration, followed by a DJ evening that brought the participants together in a cheerful atmosphere.

The successful completion of SETU 2026 strengthened the bond between the two institutions and created lasting memories of learning, friendship, and cultural exchange.

16TH WORLD EDU SUMMIT 2026

Reinventing Research Culture: From Publish or Perish to Purpose and Impact

Vikrant University, Gwalior, in collaboration with **MTC Global**, hosted the **16th World Edu Summit 2026**, bringing together distinguished academicians, researchers, educationists, institutional leaders and industry professionals from India and abroad. The Summit was powered by the **ICFAI Foundation for Higher Education, Bengaluru**, and organised in association with **Dhaka International University, Bangladesh; Sigma University, Vadodara; and BCRP**.

The Summit provided a significant platform for academic dialogue, research exchange and global collaboration, with a central focus on strengthening research culture and encouraging research that moves beyond publication towards meaningful academic, professional and societal impact.

Inaugural Ceremony

The Summit commenced with a distinguished Inaugural Ceremony, with **Shri Rakesh Singh Rathore, Hon'ble Chancellor, Vikrant University, Gwalior**, serving as the **Presidential Chair**. **Barrister Shameem Haider Patwary, Chairman, Board of Trustees, Dhaka International University, Bangladesh, graced the occasion as the Chief Guest**.

The ceremony was further enriched by the presence of **Prof. Dr. Muddu Vinay, Founding Pro Vice-Chancellor, ICFAI Foundation for Higher Education, Bengaluru, as Guest of Honour; Dr. Alluri V.V. Prasada Raju, Chairman, Indian Institution of Industrial Engineering (IIIE) and Head – Projects Planning & Coordination, HES Infra Private Limited, Hyderabad, as Guest of Honour; and Dr. Neelima Kamjula, Professor & Dean, Faculty of Commerce & Management, Sigma University, Vadodara, as the Keynote Speaker. Prof. Bholanath Dutta, Founder & President, MTC Global, and Prof. Atul Kumar, Vice Chancellor, Vikrant University, Gwalior**, were also among the distinguished academic leaders associated with the inaugural proceedings.

The inaugural session reflected the Summit's broader vision of creating meaningful connections between institutions, researchers and academic leaders while encouraging collaborative approaches to the future of higher education.

Panel Discussion: From Publication to Purpose and Impact

A key highlight of the Summit was the panel discussion on the theme **"Reinventing Research Culture: From Publish or Perish to Purpose and Impact."**

The session was chaired by **Dr. Sheelan Misra, Founder & CEO, Unithink Education International, Bangalore & New Delhi**. The panel brought together experts from diverse academic, research and professional backgrounds, including **Prof. Dr. A. Suryanarayana**, former Dean, Faculty of Management, Osmania University; **Associate Prof. Mili Rahman**, Additional Director, Centre for Research, Excellence & Development, Dhaka International University; **Mr. Sahil Koul**, Project Manager, Xpressbees Logistics, Pune; **Dr. Vinay Joshi**, Dean – Academics, IFHE (Deemed University), Bangalore; **Prof. Dr. Md. Serajul Islam Prodhan**, Professor, Department of Civil Engineering and Director, IQAC, Dhaka International University; **Prof. Srinath Achar**, Dean, Hospitality & Tourism Management, Sigma University, Vadodara; **Dr. Archana Singh**, Academician, Researcher and Trainer; and **Prof. Dr. Md. Abdul Based**, Chairman, Department of Computer Science and Engineering, Dhaka International University.

The discussion brought together perspectives from management, research, institutional quality, industry, hospitality, commerce and technology. It highlighted the importance of developing a research ecosystem that values relevance, innovation, collaboration and measurable impact alongside scholarly publication.

The diversity of the panel also reflected the Summit's emphasis on interdisciplinary and international engagement in contemporary higher education.

RECOGNITION OF EXCELLENCE

The Summit culminated in a prestigious **Award Ceremony**, recognising distinguished contributions across higher education, research, teaching, academic leadership, social service and industry.

Among the notable recognitions, **Shri Rakesh Singh Rathore, Chancellor, Vikrant University, Gwalior**, received the **MTC Global Rooshikumar Pandya Lifetime Achievement Award – 2026**.

Barrister Shameem Haider Patwary was conferred the **MTC Global Visionary Leadership Award** in Higher Education – 2026, while **Prof. Dr. Muddu Vinay** received the **MTC Global Rooshikumar Pandya Lifetime Achievement Award – 2026**.

Other awardees included Dr. Himachalam Dasaraju, Dr. Sini V. Pillai, Dr. Sheelan Misra, Ms. Meera Rajeevan, Dr. Md. Serajul Islam Prodhan, Dr. Drashti Vyas, Dr. Charmi Kachhadiya, Dr. Archana Singh, Mr. Kunjan Kotecha, Dr. V. V. Gopal, Dr. M.S. Vasu, and Prof. Srinath Achar, who were recognised through various MTC Global awards for their contributions to higher education, research, academic leadership and social service.

The Distinguished Teacher Awards 2026 recognised Dr. Sasmeeta Tripathy for Engineering and Dr. Regalla Ravikanth and Dr. Sree Lakshmi Moorthygari for Management. The Best Research Paper Award – 2026 was conferred on Dr. A. Suryanarayana, while Ms. Harmeet Kour, Lead – Marketing Communications, Bharti Airtel Ltd., received the Marketing Executive of the Year – 2026 recognition.

The Summit also marked the MTC Global Accreditation 2026–29 of the ICFAI Foundation for Higher Education, Bangalore, further reflecting the event's emphasis on institutional quality and academic standards.

August - September 2026

A PLATFORM FOR ACADEMIC COLLABORATION

The **16th World Edu Summit 2026** served as a vibrant platform for knowledge exchange, professional networking and institutional collaboration. By bringing together national and international voices from academia, research and industry, the Summit encouraged participants to reflect on the evolving purpose of research and its role in addressing contemporary educational and societal needs.

For **Vikrant University, Gwalior**, the Summit represented an important academic engagement that strengthened its association with national and international education networks and provided opportunities for meaningful dialogue on the future of higher education and research.

The event concluded on a note of academic enrichment, recognition and collaboration, reaffirming the shared commitment of participating institutions towards **purpose-driven research, academic excellence and impactful higher education**.

Academic Leaders' Round Table at IIIT Bangalore

We are delighted to share that **Prof. (Dr.) Atul Kumar, Vice Chancellor, Vikrant University, Gwalior (M.P.)**, India, participated as a **Distinguished Speaker** at the **Academic Leaders' Round Table**, organized as part of **The Festival of Joy at IIIT Bangalore on 12 September 2026**.

The event brought together academic leaders to engage in meaningful discussions, exchange ideas and perspectives, and explore emerging opportunities and challenges in higher education. Prof. (Dr.) Atul Kumar's participation contributed to an enriching dialogue on the evolving landscape of higher education and the future of academic leadership.

ENGINEERS' DAY CELEBRATION AT VIKRANT UNIVERSITY

The School of Engineering and Technology (SOET), Vikrant University, Gwalior, celebrated **Engineers' Day** with a series of engaging and enriching activities.

The celebrations began with the inauguration of a **5-Day Total Station Workshop** by the Department of Civil Engineering, offering students valuable practical exposure. The programme also featured a **Technical Quiz** and an **Alumni Interaction Session**, where alumni from various engineering disciplines shared their professional experiences, industry insights, and career guidance.

The session featured distinguished alumni who shared their professional experiences, industry insights and valuable career guidance:

- **Shivpal Singh Chauhan** – Sub Engineer, Water Resources Department, M.P. | Civil Engineering, Batch 2016–2020
- **Ritesh Chaudhary** – Associate Manager – Fire & Safety, Sheela Foam Ltd. | Fire Technology & Safety Engineering, Batch 2015–2019
- **Prasant Dhakad** – Government Fire Officer, GRMC, Gwalior | Fire Technology & Safety Engineering, Batch 2020–2024
- **Nityanand Dixit** – Sub Divisional Engineer, BSNL | Computer Science & Engineering, Batch 2013–2016

The celebration also featured a special act portraying a **life incident of Sir M. Visvesvaraya**, highlighting the values and spirit of engineering.

CELEBRATING
ENGINEERING & INNOVATION

On the occasion of Vishwakarma Jayanti, the Department of Mechanical Engineering & Fire Technology, Vikrant University, Gwalior organised Vishwakarma Poojan along with a Poster and Model Exhibition. Students showcased their creativity, technical skills and innovative models made from scrap materials, promoting the values of engineering, craftsmanship, innovation and sustainability.

AKAR
VIDEOTAKE FILM FESTIVAL 2026

AKAR – Videotake Film Festival 2026 celebrated the art of cinema, creativity, and storytelling, bringing together distinguished personalities from the film industry. During the festival, renowned television and film actor Shri Rajeev Verma Ji warmly welcomed Hon'ble Chancellor of Vikrant University, Shri Rakesh Singh Rathore, who graced the event as the Guest of Honour. The festival also honoured celebrated actor Shri Raja Murad with the Long Service Award for his remarkable contribution to Indian cinema. The event beautifully reflected the spirit of creativity, cinematic excellence, and meaningful connections while celebrating the rich legacy of Indian storytelling.

SHASTRARTH
MANCH EK, TARK ANEK

The School of Legal Studies, Vikrant University, successfully organized Day 1 of the two-day inter-college academic event “Shastrarth – Manch Ek, Tark Anek” on 21 August 2026, providing a vibrant platform for students and scholars to exchange ideas, perspectives, and academic insights.

The inaugural session was graced by Mr. Ankur Samadhiya, Founder & Director, The Lawgical Academy & Nyaya Saar, along with distinguished university leadership. Dr. Vir Narayan, Dean, School of Legal Studies, welcomed the participants and emphasized discipline, punctuality, and commitment. Prof. (Dr.) Anand Bisen, Dean Academics, encouraged students to develop critical thinking, research orientation, and meaningful academic dialogue, while Hon’ble Vice Chancellor Prof. (Dr.) Atul Kumar highlighted the importance of debate and fearless exchange of ideas in education.

The Hon’ble Chancellor and Hon’ble Pro-Chancellor also visited the technical sessions and encouraged the participants. The sessions witnessed 70+ presentations across two parallel sessions, showcasing strong research, analytical skills, and presentation abilities. Based on their outstanding performance, 16 participants were shortlisted for the final round against the planned shortlist of 10.

Day 1 successfully celebrated ideas, arguments, research and intellectual curiosity, reflecting the true spirit of “Manch Ek, Tark Anek.”

ACTIVITIES ACROSS SCHOOLS: EXCELLENCE IN ACTION

Sessions or Seminars

दीक्षारंभ 2026 – Departmental Orientation & Induction Programme

The School of Management and Commerce, Vikrant University, Gwalior organized Day 1 of **"दीक्षारंभ 2026" – 4th Departmental Orientation & Induction Programme** on 06 August 2026 at Ashoka Auditorium, warmly welcoming newly admitted students to the University family.

The programme featured engaging sessions by **Dr. Ritesh Shrivastava**, NLP Certified Practitioner and Behavioural Science Expert, on "Your University Journey: From Student to Future Leader"; **Mr. Kaushal Sahu**, Founder, Workshopopedia and TEDx Speaker, on "Why Entrepreneurship?"; and **CA Deepak Kumar Jain**, Chartered Accountant and Auditing & Taxation Expert, on "From Preparation to Exam: Study Smart & Present Better."

Departmental Orientation & Induction Programme – Day 1

The **School of Legal Studies and School of Humanities and Culture**, Vikrant University, Gwalior, successfully conducted Day 1 of the Departmental Orientation & Induction Programme for newly admitted first-semester students of **B.A. LL.B., LL.B., LL.M., B.A., and M.A. (Various Streams)**.

The inaugural session was addressed by **Dr. Vir Narayan, Dean, School of Legal Studies** & **Director Research**, who welcomed the students and encouraged them to make the most of the academic and developmental opportunities at the University.

A key highlight was the insightful session by Retired Principal District Judge Mr. Vinod Bhardwaj on "Classroom se Courtroom Tak." Drawing from his judicial experience, he guided students on the transition from legal education to courtroom practice while emphasizing ethics, integrity, and professionalism.

The post-lunch session featured an educational visit to Adarsh Gaushala, Lal Tipara.

दीक्षारंभ 2026 – Departmental Orientation & Induction Programme

The **School of Engineering & Technology and Computer Applications**, Vikrant University, Gwalior, successfully conducted Day 1 of **"दीक्षारंभ 2026" – Departmental Orientation & Induction Programme** on 06 August 2026 at the Engineering Block, warmly welcoming newly admitted students.

The programme began with an inspiring session by **Mr. Dharmendra Khayti Sengar**, who motivated students to embrace opportunities, remain curious, and strive for excellence. **Dean Academics Dr. Anand Singh** introduced the School, its departments, academic framework, and learning opportunities.

Students were also introduced to key student clubs, including the **IEEE Student Chapter** by **Prof. Surjeet S. Parihar** and the **Student AI Club** by **Ms. Anamika Pandey**. **Dr. Anand Kumar Pandey** conducted an informative session on the **National Education Policy (NEP)** and the University's teaching-learning process.

दीक्षारंभ 2026 – Agriculture Orientation & Induction Programme

The **School of Agriculture Science, Vikrant University, Gwalior**, successfully conducted Day 1 of **"दीक्षारंभ 2026" – Departmental Orientation & Induction Programme** for newly admitted **B.Sc. Agriculture and M.Sc. Agriculture** students, marking the beginning of their academic journey.

A key highlight was the special lecture by **Prof. Dr. P.B.S. Bhadoria**, Former Professor & Head, IIT Kharagpur, on "Future Prospects of Agriculture Students."

Dr. Sachin Kumar Singh, Dean, School of Agriculture Science, welcomed the students and introduced them to the University, the School, and its Agriculture Research Farm. **Dr. U.P.S. Bhadauria**, **Senior Professor**, highlighted the "Importance of Agriculture Education," while Dr. J.P. Thakur discussed the "Importance of Agricultural Research" and its role in sustainable agriculture and climate-resilient practices.

Dr. Hirdesh Kumar familiarized students with the UG and PG curriculum, evaluation system, and examination pattern as per the ICAR 6th Dean Committee guidelines. The programme concluded with a session by Dr. Chandan Singh, Associate Dean, on "Career Opportunities in Agriculture," covering government examinations, private-sector opportunities, and diverse career pathways.

दीक्षारंभ 2026 – Pharmacy Orientation & Induction Programme

The **School of Pharmacy, Vikrant University, Gwalior**, successfully conducted Day 1 of "दीक्षारंभ 2026".

A key highlight was the expert lecture by **Dr. Abhilekh Mishra, M.S. (Orthopaedics)**, Consultant – Trauma, Spine & Joint Replacement Surgeon and Associate Professor, Department of Orthopaedics, G.R. Medical College & J.A. Hospital, Gwalior, on **"Role of Hospital Pharmacists."** He highlighted the vital role of pharmacists in patient care, medication management, and modern healthcare.

Dr. Subodh Kumar Dubey, Dean, School of Pharmacy, welcomed the students and emphasized discipline, ethics, and professionalism. The Dean Academics briefed students on academic regulations and the examination system, while the Hon'ble Vice Chancellor inspired them to pursue excellence through innovation, research, and lifelong learning.

The programme also featured an overview of the B.Pharm Scheme and Syllabus by Prof. Ramu Soni and a session on NEP-2020 by Dr. Subodh Kumar Dubey. Interactive sessions with departmental toppers and Prof. Vipin Sharma provided valuable guidance on academic success and career opportunities.

दीक्षारंभ 2026 – Departmental Orientation & Induction Programme | Day 2

The **School of Engineering & Technology and Computer Applications, Vikrant University, Gwalior**, successfully conducted Day 2 of "दीक्षारंभ 2026" – Departmental Orientation & Induction Programme, featuring insightful expert, international, legal, and technical sessions.

The day began with an expert session by **Mr. Prashant Vishwanath Dahibhate**, **Senior Director, Delivery and Operations, Wipro**, on **"From Campus to Corporate: Building Successful Careers in Computer Science, IT & AI."** He shared valuable industry insights, corporate expectations, and essential skills for building successful careers in the technology sector.

The second session was an International Guest Lecture by **Mr. Prem N. Gaire, Assistant Director, Academic Activities, Skills & Collaboration, Boston International College, Nepal**, on **"Basics of Entrepreneurship, Innovation and Startups."** The session encouraged students to develop an entrepreneurial mindset and explore innovation-driven opportunities.

Dr. G. S. Dubey, Retd. Principal District Judge, MP High Court, conducted an informative session on **"Consumer Protection Act: Don't Get Scammed!"**, creating awareness about consumer rights, legal safeguards, and practical ways to prevent fraud.

The day concluded with a technical session by **Mr. Madhuraj Singh**, ERP Coordinator & Professor, Department of Computer Science, on **"AI Tools & ERP Training for Engineering Students."** Students were introduced to tools such as ChatGPT, GitHub Copilot, and Gemini, along with the fundamentals of ERP systems and their applications.

Orientation Programme 2026 – Pharmacy | Day 2

Day 2 of the Orientation Programme 2026 at the **School of Pharmacy, Vikrant University, Gwalior**, offered an enriching blend of global exposure, career guidance, learning, creativity, and student engagement.

A key highlight was the International Online Guest Lecture by **Mr. Nitin Dushputre, Sr. Director – Regulatory Affairs and European Business, Tillomed, United Kingdom**, who shared insights into global pharmaceutical regulations, international industry practices, and career opportunities.

Mr. Sumit Mourya, B.Pharm 3rd Year, conducted an interactive session on career opportunities, while **Prof. Abhinav Kumar Bhaskar** guided students on competitive examinations and preparation strategies. **Prof. Neha Yadav** delivered a motivational session on smart learning techniques for effective study and academic success.

दीक्षारंभ 2026 – School of Management & Commerce | Day 2

The **School of Management & Commerce, Vikrant University, Gwalior**, successfully conducted Day 2 of "दीक्षारंभ 2026" on 07 August 2026 at Ashoka Auditorium, offering students valuable

insights into financial literacy, mental well-being, and future career readiness.

The day began with an informative session by **CA Irfan Abdul, Chartered Accountant and SEBI, NSE, NISM & NCFE Empanelled Trainer**, focusing on financial planning, savings, investments, responsible money management, and developing smart financial habits.

A session on **Stress Management & Mental Well-Being** was conducted by **Mrs. Archana Sharma, Certified Heartfulness & Meditation Practitioner and Trainer**, and **Dr. Nikhil Yadav, MBBS, MD, Certified Heartfulness & Meditation Practitioner and Trainer**. The session highlighted mindfulness, emotional balance, stress management, and healthy approaches to maintaining mental well-being.

The final session by **Mr. Krishnkant Chaturvedi, Director & CEO, Kommon School (Kommonify Ventures Pvt. Ltd.)**, focused on **AI in Career Readiness**, introducing students to emerging career opportunities, digital skills, and the growing role of Artificial Intelligence in the professional world.

Departmental Orientation Programme – Day 2

The School of **Legal Studies & School of Humanities and Culture, Vikrant University, Gwalior**, successfully conducted Day 2 of the Departmental Orientation Programme for newly admitted students of B.A. LL.B., LL.B., LL.M., B.A., and M.A.

The day featured insightful sessions on **judicial wisdom, professional ethics, higher education, creativity, communication, consumer law, and insurance law**. **Mr. Arun Singh Tomar, Retired Principal District Judge**, shared valuable insights on discipline, ethics, and excellence in the legal profession.

Sessions by **Dr. Prashant Kumar Sangwan**, **Ms. Diya Tomar**, **Prof. Meena Sharma**, and **Mr. G. S. Dubey** further enriched students through guidance on personal development, creative expression, communication, and legal awareness.

SUCCESS MANTRA – Motivational Seminar

The **School of Humanities and Culture, Vikrant University, Gwalior** organized an inspiring motivational seminar titled **"SUCCESS MANTRA"** featuring **Shri Govind Singh Solanki, DSP (MPPSC–2023) & Former Janpad CEO, Rajgarh (MPPSC–2021)**. Sharing his journey and experiences, Shri Solanki guided students on competitive examination preparation, discipline, time management, consistency, mental strength, and career planning.

Expert Talk on Emerging Trends in Plastic Manufacturing

The **Department of Mechanical Engineering & Fire Technology, Vikrant University, Gwalior** organized an insightful **expert talk** on **"Emerging Trends in Plastic Manufacturing: Materials, Processing, Sustainability and Career Opportunities."** The session featured **Dr. V. Kiran Kumar, Director & Head, CIPET, Gwalior**, who shared valuable industry insights with students.

The talk focused on **AI and automation,** advanced materials, sustainable manufacturing practices, emerging industry trends, and career opportunities in plastic manufacturing.

Expert Session | Cyber Security & Well-Being

The **School of Computer Applications, Vikrant University** organized an engaging **Expert Session on Cyber Forensic Awareness & Well-Being**, with the participation of 125+ students. The programme focused on the interconnected areas of mental wellness, mindfulness, cybersecurity, and responsible technology use.

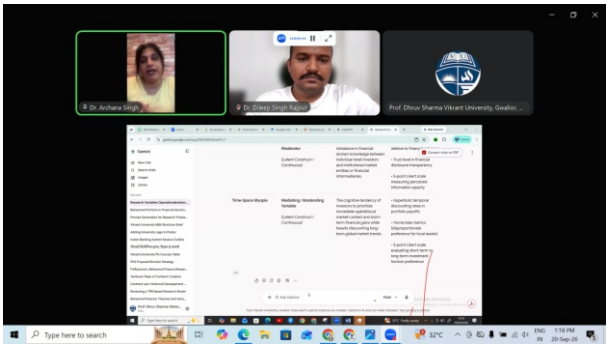

The first session, **"Pause, Connect & Grow Through Meditation,"** was conducted by **Mr. Ankur Gupta, Advocate, M.P. High Court Bench, Gwalior & Heartfulness Trainer**, focusing on meditation, stress management, emotional well-being, and self-awareness.

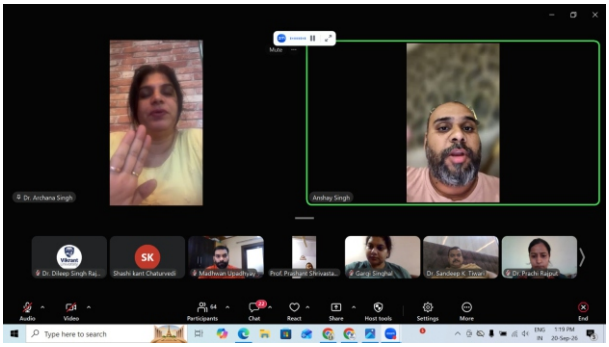

The second session on **Cyber Security Awareness** featured **Ms. Punam Gupta, Cyber Forensic Expert, M.P. Police Cyber Forensic Unit, Gwalior**, who sensitized students about cyber threats, phishing, online fraud, data protection, privacy, and cyber hygiene.

Faculty Development Program on Ethical AI

The **School of Management and Commerce, Vikrant University, Gwalior** organized an **FDP** on **"Standardizing Ethical AI Usage in Academic Research"** on 20 September 2026, with around 88 faculty members from Gwalior and Indore campuses. **Dr. Archana Singh, MIT World Peace University, Pune**, delivered an

insightful session on ethical AI use, research frameworks, journal indexing, and AI-assisted research tools. Participants also developed structured conceptual research frameworks through hands-on activities.

IIC Organises Online Session on Entrepreneurship

The **Institution's Innovation Council (IIC), Vikrant University, Gwalior** organised on 21 september 2026 an insightful online session on

Entrepreneurship, featuring **Prof. Matthew Pauley**, Assistant Professor of Entrepreneurship, Salem State University, as the Guest Speaker.

With 150+ participants, the session explored entrepreneurial mindset, opportunity recognition, innovation, MVP and idea validation, customer needs, networking, and global startup ecosystems.

6th National Pharmacovigilance Week 2026

The **School of Pharmacy, Vikrant University, Gwalior** organised an inauguration ceremony and guest lecture for **6th National Pharmacovigilance Week 2026**.

Dr. Anshu Bajpai, Consultant Gynecologist, Obstetrician & IVF Specialist, delivered an insightful lecture on **"Pharmacovigilance and Drug Safety,"** highlighting medication safety, adverse drug reactions, and patient care.

The programme concluded with a Dean's Special Address by **Dr. Subodh Kumar Dubey**, reinforcing the role of future pharmacists in promoting safe medication practices.

6th National Pharmacovigilance Week 2026 – Day 2

The **School of Pharmacy, Vikrant University, Gwalior celebrated Day 2** of the 6th National

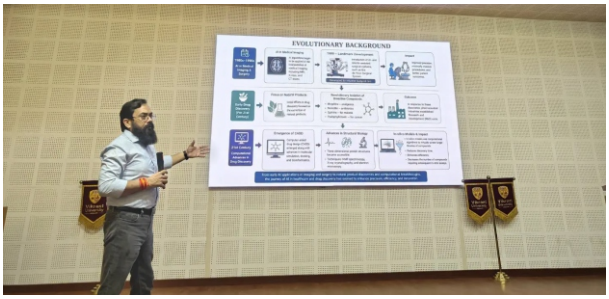

Pharmacovigilance Week 2026 with a **Pharmacovigilance Quiz and PowerPoint Presentation Competition**.

Students actively participated, showcasing their knowledge, creativity, and presentation skills while enhancing **awareness of Pharmacovigilance, Drug Safety, and ADR Reporting**.

The activities promoted critical thinking, teamwork, and effective communication, making the celebration engaging and successful.

6th National Pharmacovigilance Week 2026 – Day 4

The School of Pharmacy, Vikrant University, Gwalior organised an awareness session on **"Role of AI in Pharmacovigilance"** as part of Day 4 of the 6th National Pharmacovigilance Week 2026.

Dr. Ajay Kumar Gupta, Associate Professor of Pharmacy and Pharmacology, CSJMU, Kanpur, shared insights into the role of Artificial Intelligence in drug safety, pharmacovigilance, and patient care.

The session enhanced participants' understanding of emerging technologies and their potential to strengthen safer healthcare practices.

Workshops & Visits

दीक्षारंभ 2026–27 – Agricultural Science | Day 2

The **School of Agricultural Science, Vikrant University, Gwalior**, successfully conducted Day 2 of **"दीक्षारंभ Induction-cum-Foundation Programme 2026–27"** with an **educational visit** to the **Vikrant Agriculture Research & Development Centre (VARDC), Sakatpura Farm**.

The visit provided newly admitted students with valuable hands-on exposure to agricultural

practices, including nursery management, paddy transplantation, plant and weed identification, Dhaincha as a green manure crop, orchard management, planting techniques, soil types, and water and soil conservation practices.

More than 90 students, including newly admitted and senior students, participated actively under the guidance of faculty members.

Learning Beyond the Classroom | Educational Visit to Tapovan

The **School of Agricultural Sciences, Vikrant University, Gwalior** organized an **educational visit** to **Tapovan, Gwalior** for 90+ students of B.Sc. (Hons.) Agriculture. The visit provided students with firsthand exposure to natural vegetation, biodiversity, environmental resources, and conservation practices. Through field observations and experiential learning, students connected classroom concepts with real-world applications and developed a deeper

understanding of sustainable resource management, biodiversity conservation, and ecological balance.

Industrial Exposure at Supreme Industries

Vikrant University organised an **Industrial Visit** to **Supreme Industries, Malanpur** for **EC/EE and**

ME/FT students, providing hands-on exposure to polymer processing, manufacturing, quality control and safety practices. Students explored the production of **UPVC, CPVC, PVC and PPR products and interacted with industry experts** to understand **modern manufacturing practices**, sustainability and industry expectations, bridging classroom learning with real-world industrial applications.

Educational Visit to National Lok Adalat

The **School of Legal Studies, Vikrant University, Gwalior** organized an **educational visit** to the **National Lok Adalat at District &**

Sessions Court, Gwalior, for students of B.A. LL.B. and LL.B. Students attended the **Lok Adalat proceedings**. The students interacted with **Hon'ble Judge Ms. Aditi Tiwari, XIX Civil Judge, Junior Division**, who guided them on judicial services, examination preparation, and the importance of Bare Acts. **Adv. Kabir Quraishi, Senior Panel Counsel, Government of India**, provided valuable insights into advocacy and practical court proceedings.

Educational Visit to UltraTech RMC Plant, Gwalior

The **Department of Civil Engineering, Vikrant University, Gwalior** organized an **educational visit** to **UltraTech RMC Plant, Gwalior** on 7 September 2026 for 30 Civil Engineering students, accompanied by Prof. Ashish Shrivas and **Prof. Amit Atroliya**. Students gained practical exposure to batching, mixing, quality

control, testing, transportation, and placement of ready-mix concrete. Guided by **Mr. Ankit Chaurasiya**, the visit helped students connect classroom concepts with real-world industrial practices and strengthen their understanding of concrete technology and plant operations.

SEMICON India 2026 | Industry Exposure Visit

The **Department of Electronics & Communication Engineering and Electrical Engineering, Vikrant University, Gwalior** organized an **educational visit** to **SEMICON India 2026 at Yashobhoomi, New Delhi**, on 19 September 2026. A total of 22 students and 7 faculty/staff members participated, gaining practical exposure to semiconductor technology,

VLSI, embedded systems, power electronics, EVs, robotics, automation, AI hardware and advanced electronics, along with insights into emerging industry, research and career opportunities.

MANAGART 2026
CELEBRATING CREATIVITY, IDEAS & YOUNG MINDS

The School of Management & Commerce, Vikrant University, Gwalior successfully organised **MANAGART 2026 – Poster Making Competition**, providing students with an engaging platform to express their creativity, perspectives, and innovative ideas through art.

The competition revolved around three thought-provoking themes:

- *Women in Leadership*
- *Digital Transformation in Organizations*
- *Young Entrepreneurs*

The event witnessed enthusiastic participation from students, who showcased their artistic talent while presenting meaningful perspectives on contemporary business and social themes.

Congratulations to the Winners:
Piyush – B.Com, 1st Semester
Mahi Jain – B.Com, 3rd Semester
Anushka Manjhi – MBA, 1st Semester

INTERNAL EVALUATION OF IDEAS
MSME IDEA HACKATHON 6.0

The **Institution's Innovation Council (IIC)** and **Incubation Cell, Vikrant University** successfully conducted the Internal Evaluation of Ideas under **MSME Idea Hackathon 6.0.** A total of 9 innovative ideas across 6 themes were presented and evaluated on parameters including innovation, technical feasibility, problem-solving potential, cost-effectiveness, scalability, and entrepreneurial impact.

The evaluation was conducted by **Mr. Gaurav Rai, Maintenance Manager, Lotus Dairy Products Pvt. Ltd., Jaipur**, and **Automation Technology Expert – Food & Beverage Industry**, as the **External Evaluator**. The Internal Evaluation Panel comprised **Dr. Nischay Upmanyu**, **Dr. Rachana Pathak** and **Prof. Shashi Pratap**. Participants received valuable feedback and guidance to further strengthen their ideas.

The selected ideas will proceed for final presentation and further consideration under **MSME Idea Hackathon 6.0**, supporting the university's commitment to fostering innovation, entrepreneurship and practical solutions with real-world impact.

BENGALURU EDUCATIONAL & INDUATRIAL VISIT 2026

Three Days of Learning, Exploration & Innovation

Vikrant University, Gwalior and Vikrant Group of Institutions, Indore organised a 3-Day Educational & Industrial Visit to Bengaluru, providing students with valuable exposure to science, technology, research, innovation, industry and professional development.

DAY 1 | 30 August 2026 | Exploring Science & Astronomy

The first day began with a visit to the Jawaharlal Nehru Planetarium & Museum, where students explored the fascinating world of astronomy, space science and scientific discoveries. The engaging experience encouraged students to connect classroom concepts with real-world scientific exploration.

The day also featured the Alumni Meet 2026 – Bangalore Chapter, bringing together alumni, faculty members and students. Alumni shared their academic and professional journeys, achievements, experiences and career insights, inspiring students through meaningful interactions and an engaging Q&A session.

DAY 2 | 31 August 2026 | Space Technology & Scientific Innovation

Day 2 provided students with an inspiring exposure to India's space and technological achievements through visits to the ISRO – U. R. Rao Satellite Centre (URSC) and the Visvesvaraya Industrial & Technological Museum (VITM).

At ISRO, students gained insights into satellite technology, space missions, rocket technology, research and career opportunities through interactions and exhibitions. A special highlight was the presentation on Chandrayaan-3, including the Vikram Lander and Pragyan Rover.

At VITM, students explored interactive galleries, working models and hands-on exhibits covering science, engineering, electronics, space and biotechnology. The visit transformed scientific concepts into engaging and practical learning experiences.

DAY 3 | 01 September 2026 | Research, Innovation & Industry Exposure

The third day focused on academic research, innovation, entrepreneurship and emerging technologies through visits to RV College of Engineering and eMudhra Digital Campus.

At RV College of Engineering, students explored research facilities, Centres of Excellence, high-performance computing, innovative student projects, IoT technologies and connected autonomous vehicle systems. The interaction encouraged students to think beyond academic projects towards innovation and entrepreneurship.

At eMudhra, students gained industry exposure to Artificial Intelligence, Generative AI, Cybersecurity, Blockchain, Robotics, Digital Transformation and Data Centre Operations. Sessions on professional skills, internships, CV building and career development provided valuable insights into industry expectations and future opportunities.

Last DAY | 02 September 2026 | Seeking Blessings at ISKCON Temple

As part of the Bengaluru Educational Tour 2026, students of Vikrant University, Gwalior and Vikrant Group of Institutions, Indore visited ISKCON Temple, Bengaluru. The serene atmosphere, beautiful architecture, and devotional ambience offered students a peaceful spiritual experience, adding a meaningful and memorable dimension to their journey.

WOMEN EMPOWERMENT:
FROM POTENTIAL TO POSSIBILITY

The **School of Management and Commerce**, Vikrant University, Gwalior, organized on 16 September 2026 a special session on **"Women Empowerment: From Potential to Possibility"**, focusing on financial literacy, investor awareness, and financial independence among women.

Around 135 female students and faculty representatives from various Schools, including Law, Agriculture, Humanities, Engineering and Management & Commerce, participated in the session.

Ms. Vibhuti Shukla, Trainer (NISM Certified), shared valuable insights on financial planning, investment awareness, and informed financial decision-making. **Mr. Ankit Jain, Branch Manager, Nippon India, Gwalior**, added practical industry perspectives on financial awareness and investment.

FINANCIAL LITERACY & INVESTOR
AWARENESS SESSION

The **School of Management and Commerce**, Vikrant University, Gwalior, organized a **Financial Literacy & Investor Awareness Session** on 16 September 2026, focusing on responsible financial planning, saving, investment, and informed decision-making.

Around 100 participants actively participated in the session and gained insights into the importance of financial awareness as an essential life skill.

Ms. Vibhuti Shukla, Trainer (NISM Certified), shared valuable insights on financial literacy and investor awareness, while **Mr. Ankit Jain, Branch Manager, Nippon India, Gwalior**, provided practical perspectives from the financial services sector.

6TH NATIONAL PHARMACOVIGILANCE WEEK 2026

The **School of Pharmacy, Vikrant University, Gwalior** organised Day 3 of the **6th National Pharmacovigilance Week 2026**, focusing on **Drug Safety, ADR Reporting, and Public Health Awareness**.

The day featured a **Poster & Slogan Making Competition, Pharmacovigilance Awareness Rally, and Nukkad Natak**, through which students creatively promoted safe medicine use, prevention of medication errors, and reporting of adverse drug reactions.

The enthusiastic participation of students made the event informative, engaging, and impactful.

ABSTRACT

LICENSE

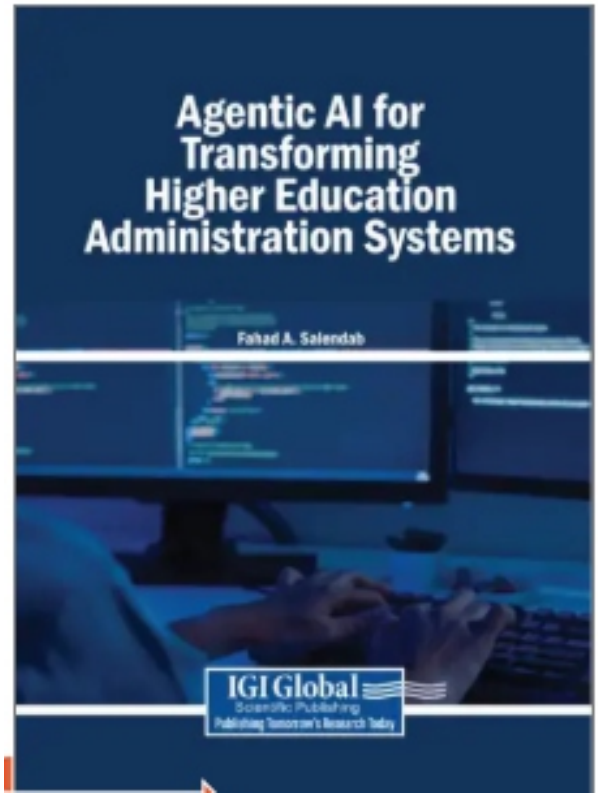

The increasing integration of generative artificial intelligence (GenAI) into digital marketing is transforming how consumers interact with information, evaluate alternatives, and make behavioural and financial decisions. However, the effectiveness of GenAI may depend on its integration with human judgment, contextual interpretation, and oversight. This study examines the influence of Human–Generative AI

Abstract

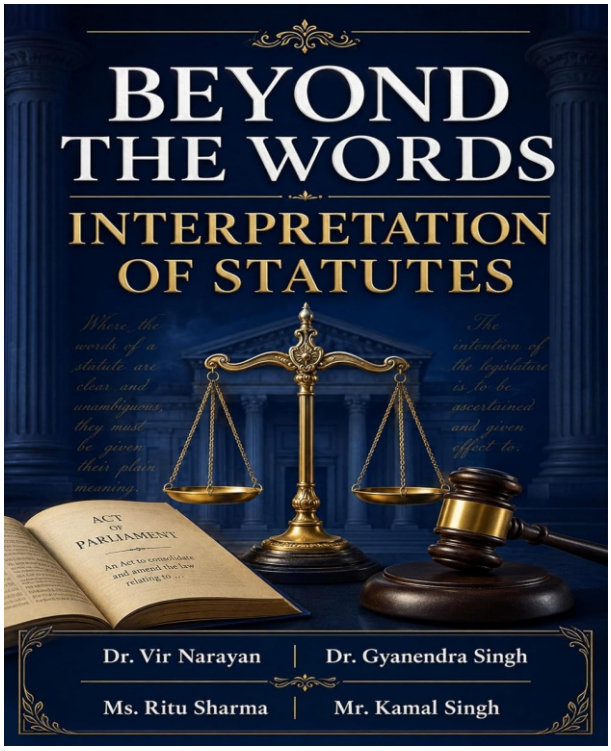

A field experiment was conducted during the *rabi* season of 2025-26 at the Agriculture Research and Development Centre, Sakatpura, School of Agriculture Science, Vikrant University, Gwalior, Madhya Pradesh, to evaluate the yield and economic responses of Indian mustard (*Brassica juncea* L.) to biochar-based nutrient management. The experiment was laid out in a randomised block design with eight treatments and three replications. The treatments comprised an absolute control, 100% of the recommended dose of fertilizer (RDF: 80:40:40:40 kg N:P_2O_5:K_2O:S ha^{-1}), and 100% or 75% RDF combined with mustard stover,

FROM CAMPUS TO CAREER
Empowering Students. Creating Opportunities. Shaping Careers.

In a rapidly changing world of work, a university degree is not the destination it is the beginning of a professional journey.

At Vikrant University, Gwalior the Training & Placement Cell strives to transform this journey into a meaningful experience by connecting academic learning with industry expectations and student aspirations with career opportunities.

Our approach goes beyond campus recruitment. We focus on career readiness helping students develop the knowledge, skills, confidence and professional attitude required to succeed in an evolving workplace.

Beyond the Classroom

Through industry interactions, internships, industrial visits, expert sessions, workshops, employability training, placement drives and career guidance, students receive opportunities to experience the professional world before they enter it.

These initiatives help students strengthen:

Communication, Leadership, Problem-Solving, Digital Skills, Teamwork, Professional Etiquette, Interview Skills, Adaptability

Because today's employers seek not only qualified graduates, but professionals who can learn, adapt and contribute.

Connecting Talent with Industry

Our continuous engagement with companies and industry professionals helps create a vibrant ecosystem of learning, interaction and opportunity.

Every recruiter interaction brings more than a placement opportunity it provides students with an understanding of workplace expectations and gives the university valuable insight into emerging industry requirements.

We believe that industry is not just a destination for our students; it is an important partner in their learning journey.

VOICES AND VIEWS

Preparing Students for the Future

The workplace is evolving with artificial intelligence, automation, digital transformation and new career possibilities. In such an environment, continuous learning is no longer an option, it is a necessity.

Our endeavour is therefore to develop future-ready graduates who combine technical knowledge with communication, creativity, critical thinking, ethics and adaptability.

Our Vision

The true success of a Training & Placement Cell cannot be measured only by the number of students placed. It is reflected in the confidence of a student facing an interview, the skills developed through an internship, the learning gained from an industry visit, and the courage to pursue a new career opportunity.

Our vision is simple:

"To empower every student with the confidence, competence and opportunities to build a meaningful career."

As we move forward, the Training & Placement Cell at Vikrant University remains committed to strengthening University–Industry Partnerships, expanding career opportunities, promoting experiential learning and creating a culture of continuous professional development.

A Message to Our Students
Dream beyond the degree.
Learn beyond the classroom.
Prepare beyond the examination.
And grow beyond your first job.

Your career is a journey and Vikrant University is committed to walking with you from campus to career and from opportunity to achievement.

Let us transform potential into performance, aspirations into opportunities, and opportunities into successful careers.

Empowering Minds, Advancing Pharmacy, Inspiring Change

Education is a powerful journey that transforms knowledge into confidence, character, and meaningful contribution. As an Associate Professor at the School of Pharmacy, Vikrant University, I believe that education must empower students to think creatively, learn continuously, and serve society with professional responsibility.

Pharmacy education connects scientific knowledge with healthcare and human well-being. Through innovative teaching, practical learning, research, and mentorship, we can prepare future pharmacists to meet emerging healthcare challenges. Research and innovation further encourage students to explore new possibilities and develop solutions that can contribute to better health outcomes.

I strongly believe that women empowerment begins with education. Providing women with knowledge, confidence, skills, and opportunities enables them to become independent professionals, researchers, leaders, and responsible contributors to society.

Vikrant University's vision of fostering quality education, innovation, research, and holistic development provides an inspiring platform for nurturing young minds. Together, as educators and learners, we can build a future driven by knowledge, innovation, equality, ethics, and excellence.

I am proud to be part of Vikrant University, where education, research, innovation, and holistic development create opportunities for excellence. My vision is to inspire students to learn, innovate, lead, and serve society with knowledge, integrity, and compassion.

Empower a mind today, inspire a better tomorrow.

Globalization Interrupted: India's Moment of Strategic Ambiguity

For three decades, the orthodoxy of comparative advantage held that openness was its own reward. That consensus is now fraying. Tariff escalation, industrial subsidies in advanced economies, and the securitisation of supply chains suggest that trade is being reimagined as an instrument of statecraft rather than an engine of mutual gain.

India occupies an unusual position in this reordering. Courted as a "trusted partner" in the diversification of global production, it is simultaneously constrained by its own protectionist reflexes, fragmented factor markets, and a labour force whose skills lag its numbers. The promise of "China plus one" is real, but it is not automatic; capital relocates towards predictability, not towards potential.

The deeper question is one of sequencing. Can a country of India's income level build manufacturing depth in an era when the ladder that East Asia climbed is being pulled up? Services-led growth has been remarkable, yet it absorbs skilled labour sparingly, leaving the agrarian and informal sectors overburdened.

Strategic autonomy, then, cannot mean insulation. It must mean negotiated integration: selective trade agreements, credible institutions, and sustained investment in human capital. Economic history rarely rewards those who wait for the world to settle. It rewards those who prepare for its instability.

Electrical Engineering: Driving Power, Automation and Sustainable Mobility

Electrical Engineering stands as the foundational pillar of modern technological advancement, industrial automation and the global transition toward sustainable energy infrastructure. The discipline encompasses far more than traditional grid generation; it governs the complex systems that generate, convert, and control electrical energy across massive high-voltage transmission networks down to micro-level embedded circuitry. At its core, electrical engineering relies on the principles of electromagnetic field theory, circuit dynamics and magnetic energy conversion using advanced AC and DC electrical machines, transformers and power electronic drives.

In today's rapidly changing industrial landscape, the boundaries of electrical engineering have expanded to integrate power systems with smart sensors, microcontrollers, and real-time control algorithms. Electrical engineers are leading the development of smart grid technology, high-efficiency energy storage platforms and clean renewable energy systems like solar and wind power integration. Furthermore, the discipline is central to the revolution in electric mobility, where high-efficiency motors, battery management systems (BMS) and power converters work in tandem to power next-generation transportation.

Mastering electrical engineering requires bridging core physical theories with hands-on hardware implementation. By optimizing energy efficiency, reducing core losses, and developing intelligent motor drives, electrical engineers directly engineer solutions for industrial robotics, automated manufacturing, and smart city infrastructure. As technology continues to evolve, electrical engineering remains the driving force empowering engineers to solve complex global energy challenges and build a cleaner, smarter and fully electrified future.

The Digital Transformation of the Pharmaceutical Industry

The pharmaceutical industry is entering a new era where technology and healthcare are becoming increasingly interconnected. The digital transformation of the pharmaceutical industry is changing how medicines are discovered, developed, manufactured, tested and delivered to patients. Artificial Intelligence (AI) is helping researchers analyses huge amounts of scientific and clinical data, identify potential drug candidates and support faster decision-making. Big Data enables pharmaceutical companies to extract meaningful information from clinical trials, patient records and research databases. This can improve drug development and support more personalized healthcare.

Robotics and automation are transforming pharmaceutical manufacturing by performing repetitive and precision-based tasks with greater consistency. Automated systems can improve production efficiency, reduce human error and strengthen quality control. Meanwhile, Internet of Things (IoT) technology allows machines, sensors and production systems to communicate in real time. This supports continuous monitoring of equipment, environmental conditions and manufacturing processes.

The emergence of smart manufacturing is creating connected pharmaceutical facilities where data-driven systems can monitor processes and identify problems at an early stage. Predictive maintenance can also help reduce equipment downtime and improve productivity. However, digital transformation also brings challenges such as data privacy, cybersecurity, regulatory compliance and the need for skilled professionals.

Ultimately, digital technology is not replacing pharmacists, it is empowering them with better tools, better data and smarter systems. The future of pharmacy will depend on combining pharmaceutical knowledge with digital innovation to build a safer, faster, smarter and more patient-centered healthcare system.

Beyond the Syllabus: What My First Hackathon Taught Me About Being a CSE Student.

When I entered college as a Computer Science student, I thought my journey would mainly revolve around classrooms, coding and learning new technologies. I soon realised that some of the most important lessons would come from experiences that could never be written in a textbook.

One such experience was participating in Innovik 6.0, an international hackathon, with my team RouteX. As a first-semester student, stepping into a competitive environment so early in my college journey was both exciting and challenging. I was still exploring the basics of Computer Science, but the experience encouraged me to step beyond what I already knew.

Our team worked on RouteX, an intelligent traffic optimisation system aimed at making traffic signals more responsive to real-time traffic conditions. Instead of depending only on fixed signal timings, our idea focused on analysing traffic density and adjusting signal priorities accordingly. The system could also give priority to emergency vehicles such as ambulances, fire vehicles and police vehicles.

However, the most valuable part of the experience was not just the technology behind the project. It was everything that happened around it.

A hackathon taught me that an idea becomes meaningful only when a team can turn it into something understandable and useful. We had to discuss ideas, divide responsibilities, solve problems, prepare our presentation and explain our solution clearly. Every member had a different role, but the final outcome depended on how well we worked together.

For me, communication was one of the biggest learning experiences. Having an idea is one thing; standing in front of people and confidently explaining that idea is another. Preparing and presenting our project helped me become more comfortable with expressing my thoughts and listening to different perspectives.

The experience also changed the way I looked at not knowing something. As a beginner, there were many technical concepts that were unfamiliar to me. Instead of seeing that as a weakness, I began to understand that learning starts precisely from the point where we admit that we do not know something. Asking questions, observing others, practising and trying again became part of my learning process.

Our team did not win the hackathon, but the result did not define the experience. The long hours of preparation, the challenges we faced, the discussions we had and the memories we created together became an important part of my first-semester journey. The experience taught me that success is not always represented by a prize or a position. Sometimes, success is gaining the confidence to

VOICES AND VIEWS

participate, learning something new and returning with a better understanding of yourself.

As a CSE student, I am beginning to understand that technology is not only about code. It is also about identifying real-world problems, thinking creatively, working with people and communicating solutions effectively. The classroom provides the foundation, while experiences outside it teach us how to apply that knowledge.

My first semester is still only the beginning of my journey, and I have a lot more to learn. But Innovik 6.0 gave me a lesson I want to carry forward throughout college:

Learning truly begins when we have the courage to step beyond what is familiar. College is not merely about completing a syllabus. It is about discovering our abilities, facing challenges and gradually becoming the person we aspire to be. And sometimes, the most important classroom is the one we find beyond the classroom.

विक्रांत विश्वविद्यालय की NSS यूनिट द्वारा ओरिएंटेशन प्रोग्राम आयोजित

ग्वालियर। विक्रांत विश्वविद्यालय के लिए राष्ट्रीय सेवा योजना (एन.एस.एस.) से अधिकारिक एन.एस.एस. यूनिट अलॉटमेंट लेटर प्राप्त करना बड़े गर्व एवं सम्मान की बात है। यह उपलब्धि सामाजिक जिम्मेदारी, युवा नेतृत्व और सामुदायिक जुड़ाव के प्रति विश्वविद्यालय की प्रतिबद्धता को प्रदर्शित करती है।

इसी गौरवपूर्ण उपलब्धि के उपलक्ष्य में विक्रांत विश्वविद्यालय की एन.एस.एस. यूनिट ने संस्थान परिसर में 'यूथ फॉर विकसित भारत-2047' थीम के अंतर्गत एन.एस.एस. ओरिएंटेशन प्रोग्राम 2026-27 का आयोजन किया। आयोजित कार्यक्रम में मुख्य अतिथि डॉ. हरिशंकर सिंह कंसाना/डिविजनल प्रोग्राम कोर्डिनेटर, एन.एस.एस.) एवं विशेष अतिथि डॉ. मनोज अवस्थी (डिस्ट्रिक्ट कोर्डिनेटर, एन.एस.एस.) का स्वागत विक्रांत विश्वविद्यालय की रजिस्ट्रार डॉ. ऋचा वर्मा ने पुष्पगुच्छ एवं स्मृति चिन्ह देकर किया।कार्यक्रम के माध्यम से मुख्य अतिथि डॉ. कंसाना ने छात्रों को संबोधित करते हुए कहाकि एन.एस.एस. के विजन, उद्देश्यों, मूल्यों और गतिविधियों से छात्रों को अवगत होना चाहिए, जिससे उन्हें निस्वार्थ सेवा, नेतृत्व क्षमता, अनुशासन और सामाजिक जिम्मेदारी के आदर्शों को अपनाने के लिए प्रेरित हो सकें।उन्होंने एन.एस.एस. के आदर्श वाक्य 'नॉट मी, बट यू' को बनाए रखने और समाज एवं राष्ट्र की सार्थक सेवा के लिए खुद को समर्पित करने का संकल्प भी छात्रों को दिलाया। कार्यक्रम की समन्वयक प्रो. अभिलाषा दुबे (एन.एस.एस. प्रोग्राम ऑफिसर, विक्रांत विश्वविद्यालय) रही। इस अवसर पर विक्रांत विश्वविद्यालय के कुलगुरु डॉ.अतुल कुमार, डीन एकेडमिक्स डॉ. आनंद कुमार बिसेन, समस्त विभाग प्रमुख ,प्राध्यापकगण एवं छात्र-छात्राएँ उपस्थित रहे।

47 विद्यार्थियों ने किया शैक्षणिक-औद्योगिक संस्थानों का भ्रमण, विशेषज्ञों से किया संवाद

हृदय स्तंभ संवाददाता, ग्वालियर

विक्रांत विश्वविद्यालय के 47 छात्र-छात्राओं ने तीन दिवसीय बेंगलुरु शैक्षणिक भ्रमण के दौरान विभिन्न शैक्षणिक, औद्योगिक और तकनीकी संस्थानों का दौरा किया। विद्यार्थियों ने इसरो, जवाहरलाल नेहरू प्लेनेटेरियम, विश्वेश्वरैया इंडस्ट्रियल एंड टेक्नोलॉजिकल म्यूजियम, आरवी इंजीनियरिंग कॉलेज और ई-मुद्रा डिजिटल कैपस का भ्रमण कर आधुनिक तकनीक और औद्योगिक कार्यप्रणाली की जानकारी ली। भ्रमण के दौरान विद्यार्थियों ने विभिन्न संस्थानों के विशेषज्ञों से संवाद कर अपनी जिज्ञासाओं का समाधान किया। साथ ही 'एल्यूमनी मीट-2026' में शामिल होकर विश्वविद्यालय के पूर्व छात्रों से उनके अनुभव और करियर से जुड़ी जानकारी हासिल की। विश्वविद्यालय के कुलाधिपति राकेश सिंह राठौर ने कहा कि विद्यार्थियों को किताबी ज्ञान के साथ व्यावहारिक अनुभव देना जरूरी है। ऐसे भ्रमण विद्यार्थियों को नई तकनीक, उद्योग की जरूरतों और रोजगार के अवसरों से परिचित कराने में मददगार हैं।

विक्रांत विवि में एनएसएस की नई इकाई का आगाज

'युवा फॉर विकसित भारत-2047' थीम पर ओरिएंटेशन कार्यक्रम

विद्यार्थियों को सेवा और सामाजिक जिम्मेदारी का दिलाया संकल्प

हृदय स्तंभ संवाददाता, ग्वालियर

विक्रांत विश्वविद्यालय की राष्ट्रीय सेवा योजना (एनएसएस) इकाई की ओर से 'युवा फॉर विकसित भारत-2047' थीम पर एनएसएस ओरिएंटेशन कार्यक्रम का आयोजन किया।

विद्यार्थियों में सेवा भाव जरूरी: डॉ. कंसाना

ग्वालियर। विक्रांत विवि की राष्ट्रीय सेवा योजना (एनएसएस) यूनिट द्वारा गत दिवस संस्थान के परिसर में एनएसएस ओरिएंटेशन कार्यक्रम का आयोजन किया गया। उन्होंने कार्यक्रम में मुख्य अतिथि दरौना ने विद्यार्थियों एनएसएस के विजन, उद्देश्यों, मूल्यों और गतिविधियों की जानकारी दी। उन्होंने कहा कि एनएसएस विद्यार्थियों में निःस्वार्थ सेवा, नेतृत्व क्षमता, अनुशासन और सामाजिक जिम्मेदारी की भावना विकसित करने का माध्यम है। उन्होंने एनएसएस के आदर्श वाक्य 'नॉट मी, बट यू' को आत्मसात कर राष्ट्र और समाज की सेवा के लिए समर्पित रहने का संकल्प दिलाया। कार्यक्रम की समन्वयक प्रो. अभिलाषा दुबे (एनएसएस प्रोग्राम ऑफिसर, विक्रांत विश्वविद्यालय) रही। इस अवसर पर विक्रांत विश्वविद्यालय के कुलगुरु डॉ.अतुल कुमार, डीन एकेडमिक्स डॉ. आनंद कुमार बिसेन, समस्त विभाग प्रमुख ,प्राध्यापकगण एवं छात्र-छात्राएँ उपस्थित रहे।

विक्रांत विश्वविद्यालय की NSS यूनिट द्वारा ओरिएंटेशन प्रोग्राम आयोजित

'नाट मी, बट यू' के संकल्प के साथ की नई शुरुआत

आयोजन | पिंडी दे गुरूचरण ने जीता सर्वश्रेष्ठ फिल्म पुरस्कार

आकार फिल्मोत्सव में बिखरी फिल्मों की चमक

निज संवाददाता

भोपाल, 17 अगस्त. आकार फिल्मोत्सव के 17वें संस्करण की आयोजन एनआईटीटीआर के राजीव गांधी सभागार, श्यामला हिल्स में हुआ. एक दिन के फिल्मोत्सव में तीन फिल्मों का प्रदर्शन किया गया. फिल्मों को देखने के लिए दर्शकों में उत्साह रहा और सभागार दर्शकों की मौजूदगी से भरा रहा.

उद्घाटन समारोह में वरिष्ठ अभिनेता राजीव वर्मा मुख्य अतिथि रहे. कुलाधिपति राकेश राठौर ,विशिष्ट अतिथि थे. पुरस्कार समारोह में खेल एवं युवा कल्याण मंत्री कैलाश सारंग और रवीन्द्रनाथ टैगोर विश्वविद्यालय के कुलाधिपति संतोष चौबे मौजूद रहे. फेस्टिवल में 'लताज किचिन', 'स्टेशन वाली चाय' और 'पिंडी दे गुरुचरण' फिल्मों का प्रदर्शन हुआ. इनमें 'पिंडी दे गुरुचरण' को सर्वश्रेष्ठ फिल्म 2026 का पुरस्कार मिला. फिल्म 1947 के भारत-पाकिस्तान बंटवारे की पृष्ठभूमि पर आधारित है. इसकी कहानी की खास बात यह है कि इसमें बंटवारे के दौर की मार-काट, आगजनी और हिंसा को दिखाने के बजाय लोगों के बीच बनी गलतफहमियों और आपसी रिश्तों को केंद्र में रखा गया है.

कॉमेडी से गंभीर किरदारों तक बदरूल इस्लाम का सफर

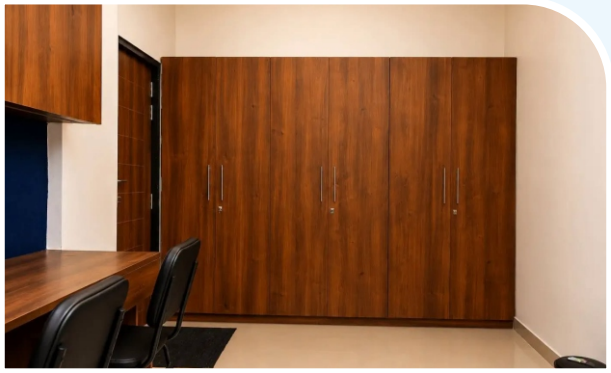

बदरूल इस्लाम ने 'नवभारत' से खास बातचीत में अपने अभिनय सफर और आगामी प्रोजेक्ट्स को लेकर चर्चा की. उन्होंने बताया कि लंबे समय तक कॉमेडी करने के बाद उन्होंने अपनी छवि बदलने की कोशिश की. गंभीर किरदारों की शुरुआत 'विक्रम बेताल' धारावाहिक से हुई, जिसके बाद फिल्मों और वेब सीरीज में अलग-अलग भूमिकाएं मिलीं. उन्होंने युवा कलाकारों को संदेश दिया कि अभिनय में सफलता के लिए मेहनत, धैर्य और लगातार सीखते रहना जरूरी है. संघर्ष से घबराने के बजाय अपने हुनर को निखारते रहें. उनके आगामी प्रोजेक्ट्स में 'पिंडी दे गुरु चरण' के साथ वेब सीरीज 'जनावर सीजन-2' भी शामिल है.
