While finalising the Teaching and Examination Scheme of Under Graduate Studies, from First Semester to Eighth Semester, full care should be taken to see that the students after graduating from this University should be well recognised by the State and the Central Governments, Government of India Undertakings, National and Multinational companies for employability and Universities in India or abroad for Higher Education.

The Syllabi of the First and Second Semesters shall be capable of strengthening the fundamental concepts in Physics, Chemistry, Mathematics, Communication skill, Social Studies, Environmental Engineering and Core Engineering such as Electrical, Mechanical, Civil etc.

Students in Second Year and onwards have to study the courses pertaining to their respective branches of Engineering. Therefore, the Syllabi from Third to Sixth Semester should be designed and taught in such a manner that they learn the fundamentals and gather in-depth knowledge of their respective disciplines.

The last two semesters of the Final Year i.e. Seventh and Eighth semesters of studies are very crucial for the students as they get matured and start understanding the Technology. They need to gather more knowledge in their branches so that they may either go for higher studies or become employable in potential sectors such as the State or the Central Governments, Government of India Undertakings, National and Multinational companies. Keeping this requirement in mind, Seminars, Projects and Elective are being introduced in these semesters. The syllabus of the electives should be prepared in consultations with the academicians from IITs, NITs and / or professionals from industries.
